International Machine Tool & Manufacturing Technology Exhibition

September 22, 2025

Dear Industry Colleagues,

IMTEX 2027 & Tooltech 2027
International Machine Tool & Manufacturing Technology Exhibition
21 - 27 January 2027
Bangalore International Exhibition Centre, Bengaluru, India

I am pleased to announce that Indian Machine Tool Manufacturers' Association (IMTMA) is prepared to organise the next edition of its flagship event, IMTEX 2027. The exhibition, which is South and Southeast Asia's largest, is dedicated to metal cutting and manufacturing technologies.

IMTEX 2027 will be held at Bangalore International Exhibition Centre (BIEC), Bengaluru, from 21 to 27 January 2027. Tooltech and Digital Manufacturing will run as concurrent events.

The Indian machine tool industry has been growing steadily and ranks 9th in Production and 4th in Consumption as per Gardner Intelligence's report. India, the 4th largest major economy, is expanding consistently, with GDP reaching \$4.19 trillion at current prices, recording 6.5% real GDP growth in FY 2024-25, and is projected to grow at the same rate until 2029.

IMTEX is an ideal platform to launch products, showcase technologies through 'live' demonstrations. The previous edition of IMTEX, held in January 2025 with 1,100 exhibitors from 23 countries and 133,166 visitors from 70 nations, was a grand success with a tremendous business impact. IMTEX 2027 is expected to be bigger and pave the way for more developments.

On behalf of IMTMA, I invite you to participate in IMTEX 2027. The Guidelines and Application Form is enclosed with this letter to provide details of participation.

Look forward to your participation at IMTEX 2027

Yours Sincerely,

Mohini M Kelkar
President - IMTMA

18. Exhibitor badges

- a. Each exhibitor shall receive three FREE exhibitor badges for stands up to 15 sqm (Tooltech 12 sqm). and one additional free exhibitor badge for every additional 10 sqm. or part thereof. Further badges may be requested on the appropriate form accompanying the Exhibitors' Manual against payment of Rs. 100 for each additional badge. Request for exhibitor badges including additional badges to be placed in advance. Order forms will be provided in Exhibitors' manual

- b. The badges are solely for the use of the exhibitor and their representatives for attending to visitors in their stand. In the event of misuse, passes will be forfeited.
- c. The inclusion of sub-exhibitors shall not increase the entitlement to free exhibitor badges.

19. Exhibition catalogue

Organisers shall publish an official trade fair catalogue containing the following information:

- Hall plan
- Product-wise information on Exhibitors
- General information
- Exhibitor information in alphabetical order on short name
- Country-wise company index
- Advertisements from exhibiting companies and members of IMTMA
-

20. Exhibitors' Manual

With the stand allocation advice, exhibitors shall receive a copy of the Exhibitors' Manual with order forms for:

- Advertisements in exhibition catalogue
- Furniture on rent
- Additional exhibitor passes
- Freight forwarding & site handling services
- Security services
- Hotel accommodation
- Telephone lines

21. Stand Construction

- a. Exhibitors applying for raw space may start stand construction work from 12 January 2027 and must complete work latest by 20 January 2027, 12 Noon.
- b. Exhibitors applying for shell scheme construction may take possession of their constructed stands on 18 January 2027 and finish all set-up activity by 20 January 2027, 12 Noon.
- c. If the stand possession is not taken within the specified time the Organiser shall be free to rent the stand to a third party. The exhibitor shall not be entitled to any refund or damages if exhibitor arrives at site later than stipulated dates. Further under such event exhibitor will be liable to pay full stand rental and charges for additional services ordered.

22. Site handling agencies

Handling of exhibits at exhibition site i.e unloading, unpacking, placement of exhibits in stand, repacking and loading etc., shall be the sole responsibility of the

agencies appointed by the Exhibition Committee. Contact details of the approved agencies and tariff for site handling will be announced in the Exhibitors' Manual.

23. Technical services

The Organisers will provide for general lighting in the hall.

The costs of installing water, electricity and compressed air connections to the exhibits in individual stands shall have to be borne by the exhibitor. Each stand will be provided with one outlet for electricity, compressed air and water of adequate capacity depending upon the requirements received from each exhibitor. The installation work inside the stand should be carried out by authorized/specialist electrical contractors which must be informed to the Organisers in advance. The Organisers shall be authorised but not obliged to supervise the installation work. The exhibitor shall be liable for any damage caused by the installations.

Machinery and equipment which are not authorised, do not comply with the relevant regulations or have a higher consumption of power and other services than stated in the application, will be removed at the exhibitor's expense. The exhibitor shall be liable for all damages resulting from unregulated consumption of energy. The technical implementation committee shall not be liable for any losses or damage resulting from disruptions in energy supply.

24. Security

The Organisers shall be responsible for general hall security. Security services will be in place from erection period till the close of the dismantling period. The Organisers shall be entitled to carry out any checks needed for security.

The general security service provided by the Organisers shall not affect the exclusion of liability for all personal injury and damage to property.

Exhibitors may hire security staff from the security company appointed by the Organisers to guard their exhibits in their own interest. Tariff and order forms for ordering security by exhibitors would be available in the Exhibitors' Manual.

25. Cleaning

The Organisers shall be responsible for general cleaning of the hall and aisles. Exhibitors shall be responsible for stand cleaning, which must be completed daily before the exhibition opens.

Exhibitors who wish to engage cleaning services may employ companies approved by the Organisers, details of which would be available in the Exhibitors' Manual.

26. Dismantling

Stands may be dismantled only after end of the exhibition. The halls must be completely cleared including restoration of flooring before 6 pm on 30 Jan 2027. Thereafter, Organisers shall have the discretion to remove and store goods until claimed by the Exhibitor. All costs of removal and storage as well as the risk of theft, loss or damage shall be borne by the Exhibitor.

27. Damage

At the close of the exhibition the stand including hall flooring shall be restored by the exhibitor to its original condition at the time of occupation.

The exhibitor shall be liable for any damage to fixtures and fittings made available, and specifically for damage to hall flooring.

28. Access to third-party stands

Third-party stands may not be entered outside opening hours without the permission of the exhibitor.
