The Show

Indian Machine Tool Manufacturers' Association (IMTMA) flagship exhibition on metal forming 'IMTEX FORMING 2018 & Tooltech 2018' was held at Bangalore International Exhibition Centre (BIEC) from 25th - 30th January 2018.

The exhibition attracted 36,000 business visitors over a span of six days. Orders worth Rs.539 Cr and enquiries worth Rs.4819 Cr were generated.

Compared to IMTEX FORMING 2016 the booked orders increased by 18.2 per cent and enquiries generated increased by 12 per cent.

Spread across 3 halls in a gross area of 33,000 square metres, IMTEX FORMING 2018 & Tooltech 2018 showcased advanced technologies such as Industry 4.0 and Internet of Things.

The exhibition witnessed participation from 504 companies. The participation came from 23 countries including India. Three countries China, Taiwan and Germany had group pavilions.

Inauguration

The exhibition was inaugurated on 25th January 2018 by Shri R.V. Deshpande, Hon'ble Minister for Large & Medium Industries & Infrastructure Development, Govt. of Karnataka.

Other dignitaries included Mr. A. S. Kiran Kumar, Former Chairman, ISRO and Mr. Nirmal K. Minda, President - Automotive Component Manufacturers Association of India (ACMA). Mr. Jamshyd N. Godrej, Chairman - Exhibitions, IMTMA, Mr. P. Ramadas, President, IMTMA, Mr. Indradev Babu, Vice President, IMTMA and Mr. V. Anbu, Director General & CEO, IMTMA also presided over the inauguration.

The dignitaries released some publications for the industry

The IMTMA - Premier Outstanding Entrepreneur Award in memory of Vinod Doshi was awarded to Mr. Indradev Babu, Founder & Managing Director, UCAM and Vice President, IMTMA

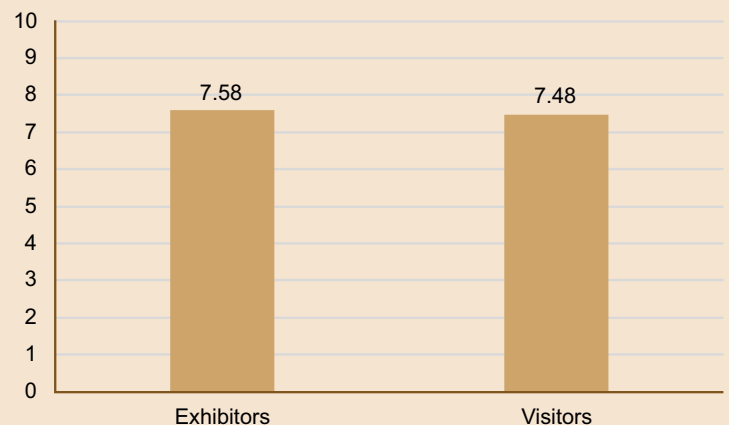

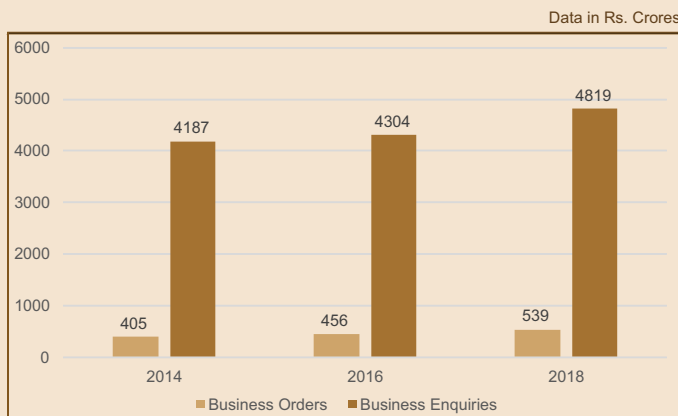

Highlights

Organizer	Indian Machine Tool Manufacturers' Association
Dates	25 - 30 January 2018
Venue	Bangalore International Exhibition Centre (BIEC), Bangalore, Karnataka, India
Total Number of Exhibitors	504
Machines on Display	500+
Participating Countries	23 Countries: Austria, Belgium, China, Czech Republic, France, Germany, India, Indonesia, Italy, Japan, Korea, Malaysia, Netherlands, Poland, Singapore, Sweden, Switzerland, Taiwan, Thailand, Turkey, United Kingdom, United Arab Emirates and United States of America
Country Group Pavilions	China, Taiwan and Germany
International Associations	<ul style="list-style-type: none"> • AMT – The Association for Manufacturing Technology, USA • JFMA - Japan Forming Machinery Association, Japan • JMTBA - Japan Machine Tool Builders' Association, Japan • MTA - Manufacturing Technologies Association, UK • TAMI - Taiwan Association of Machinery Industry, Taiwan • UCIMU - UCIMU-SISTEMI PER PRODURRE, Italy • VDW - German Machine Tool Builders' Association, Germany
Trade Delegations	Public Sector Undertakings: 19 National Associations: 3 Private Companies: 126
International Buyer Seller Meet	21 delegates from 7 countries
i2 Academia Pavilion	44 institutions
Connect	More than 2000 students from over 50 institutions
Jagruti	32 students from 16 engineering colleges

Enquiry & Business generated during IMTEX FORMING Trend showing from 2014 onwards

Overall Satisfaction Score

Customer Satisfaction Index Based on the various factors that exhibitors & Visitors have experienced during the exhibition

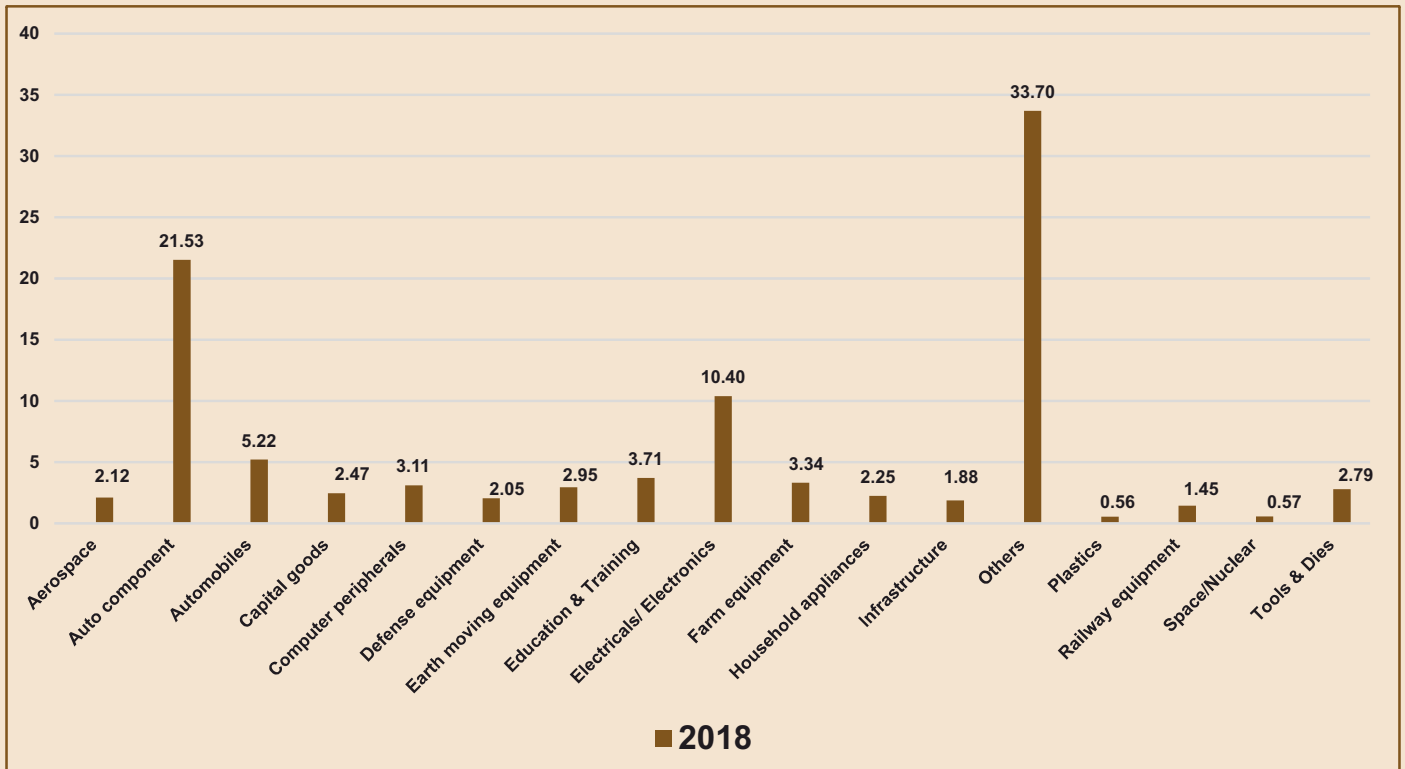

Business orders increased by 18.2% and enquires increased by 12% during IMTEX FORMING 2018 Vis-a- Vis IMTEX FORMING 2016

Scale: 1 – 10 (1 - Poor & 10 – Excellent)

Exhibitor & Visitor Analysis

Visitors Profile - Designation Wise

Data in percentage

The exhibition attracted a large number of business visitors

A glimpse of the exhibition in one of the three halls

An inside view of Hall 4 which was used for the first time at IMTEX FORMING 2018

Parallel Events

International Seminar on Forming Technology

Companies	: 130	Countries	: 11
Faculty Presentations	: 19	Participants	: 350

International Buyer-Seller Meet

Countries	: 7 - Argentina, China, Japan, Oman, Sri Lanka, United Arab Emirates, and United Kingdom
Delegates	: 21

i2 Academia Pavilion

Institutions : 44
Presented R&D Projects : 161

Cities : 20 (Aurangabad, Bangalore, Belagavi, Chennai, Chittoor, Coimbatore, Erode, Hosur, Hubli, Jabalpur, Kollam, Powai, Pune, Ramanagara, Rupnagar, Selam, Thanjavur, Tiruvallur, Udupi and Tumkur)

Connect

Presenting Companies : 4 (AceMicromatic Group, Hind Hydraulics, Sahajanand Laser Technology Limited and Yuken)

Student Participation : 2000+

Jagruti

Participated Students : 32
Participated Engineering colleges : 16

Expressions

Make in India should happen in India, and exhibitions such as IMTEX FORMING help Indian companies to grow.

*Shri R.V. Deshpande,
Hon'ble Minister for Large & Medium Scale Industries
and Infrastructure Development, Govt. of Karnataka*

I congratulate IMTMA not only for organizing this exhibition for the machine tool industry, but also for the contribution of the machine tool industry to the growth and development of the engineering industry of the nation.

*Nirmal K. Minda,
President, ACMA*

I have attended many trade fairs in the world including those in Hannover, Taiwan and so on. This is my first visit to IMTEX, and the experience has been beyond expectations. I will be regular to the show henceforth.

*S. Mohammed Ashraf,
Managing Director, SEG Tools, Oman*

With the whole world marching towards Industry 4.0, we were curious to witness and experience its adoption... in metal forming industry...IMTEX FORMING 2018 provided an apt platform.

*Vivek Nanivadekar,
Executive Director, Fibro India Precision Products Pvt. Ltd.*

The Indian market is favourable due to the various initiatives by the Indian Government. It is encouraging that IMTEX FORMING 2018 is happening at a very crucial period of this positive shift in Indian economy.

*Anil Bhardwaj,
Managing Director, Yamazaki Mazak India Pvt. Ltd.*

The face-to-face meetings with our potential Indian customers at IMTEX FORMING 2018 enabled us to better understand local requirements and create awareness that we provide engineering expertise to many manufacturing industries.

*Andreas Hellriegel,
Vice President (Business Development),
ARKU Maschinenbau GmbH*

There is nothing better than seeing the products live and understanding their advantages. With the current thirst for new, efficient and cost-effective technologies, IMTEX FORMING 2018 served as the best arena to bring it all under one roof.

*Harish Chandraprakasam,
Managing Director,
Malles Automated and Robotics Systems Pvt. Ltd.*

About IMTMA

IMTMA is the apex body and single point of contact for machine tool industry in India. IMTMA plays a crucial role in the growth and development of metalworking industry in the country.

IMTMA's initiatives range from policy advocacy, export promotion, trade fairs, mega events, training, seminars, technology missions, publications, etc.

IMTMA formed in 1946 has a membership of over 450 members and represents 90% of the organized machine tool and allied equipment manufacturers in the country.
